

Handcrafted Audio made in Slovenia-EU

Acoustic Preference Ltd.

BUY DIRECT PRICE LIST 2021

VALID FROM 01.04.2021

NEW 2021-VIRTUOSO LE (Limited Edition at 20th anniversary of Acoustic Preference Ltd.) 20 pairs only

For the model year 2021, we present our latest loudspeakers creation called VIRTUOSO LE, which is dedicated to the 20th anniversary of our active work in audio and is also our highest quality work. Only 20 Limited Edition pairs will be made.

For the bass and midrange section, we used custom-made units from the manufacturer Audio Technology, and Scanspeak Berillium tweeters. Crossover is perfectly tuned to our custom-made speaker units and created from Mundorf highest grade audio parts in Point-to-point construction with pure OFC Jantzen internal wiring.

GRACIOSO LINE

Basic technique and composition of the housing structure of Gracioso line is remarkably effective for every price range and excellent in design.

Gracioso line cabinets are made from carefully selected prestigious walnut wood.

Design in appearance of a droplet (no parallel planes inside the cabinet) and integral wood construction system are the best for zero resonance. Bass reflex port is placed on bottom of the cabinet "down fire" conduct air via proprietary diffuser dispersed in every direction, so speaker can be placed virtually anywhere in your Listening Room.

Scanspeak Ring-radiator tweeter goes up to 35 kHz in both models Gracioso 1.0 and 2.0, same in ST and LE models.
